September 2017

Dear Parent

To help your daughter to improve her reading skills, she will be participating in our reading scheme, Accelerated Reader. This will enable her to borrow books at the appropriate level to read in school with a teacher or teaching assistant and to somebody at home. She will then progress through the levels as her reading improves.

For this scheme to be effective, it is really important that you encourage your daughter to read her book at home, preferably to you or another adult. Just 20 minutes a day would make a huge difference. Please also ensure that her book is back in her bag for school, as we will have to charge for any lost/missing books.

Thank you for your continued support. Supporting your daughter's reading in this way will help her make good progress in all subjects, will increase her confidence in using language and will extend her general knowledge.

Yours faithfully

Mrs H McGarry
Head of Learning Support (SENCo)
