Dear Parent/Carer

**Photography Sketchbooks**

As part of the Photography course this year students will be working in an A3 black sketchbook to present their work. To help your daughter to produce the best possible work we will bulk order the sketchbooks from a competitively priced supplier. In addition to the sketchbook, students can buy one or two sets of white pens that will allow them to write on the pages.

The price of the sketchbook is £5.00 and the pen set is £2.00. Payment can be made via ParentMail for those registered, or by cash or cheque in school. If you have not already registered for this ParentMail service, please contact the school. If paying by cash or cheque, then the finance office is open daily from 8.30 – 9am.

Please complete and return the slip below **by 16 October 2017**.

Yours faithfully

Mr S Taylor
