Dear Parent/Carer

Year 11 GCSE RE Intervention

Your daughter has been identified as being at risk of not achieving in line with our expectations in RE. We have organised intervention sessions for your daughter to attend but at present her attendance at these sessions falls below our expectations. It is extremely important that your daughter attends these classes as they are specifically designed to support her in reaching her target grade. We would appreciate your support and encouragement with this endeavour. Please feel free to contact either myself or Mr Major - Subject Leader should you wish to discuss this matter any further.

Yours faithfully
