February 2018

Dear Parent/Carer

New Uniform Shop

I am delighted to inform you that we are introducing a new approach to purchasing school uniform for your daughter.

We are opening our very first, on-site, school uniform shop where you can buy all items of uniform and PE kit. You may purchase uniform in the following ways:

- **Click and collect:** You can place an order and pay online and your items will then be prepared and ready for your daughter to collect from our school office. This is so convenient and easy to use. It saves you the trip to the current shop and there are no delivery charges or fees for this service. If an item is unsuitable then you or your daughter can simply return it and we will arrange for an exchange.
- **Items in store:** You can also purchase directly from the school shop where you can pay with card or cash and where you are able to check sizes. The shop will be open every Wednesday from 3.30-4.30pm. During the summer months we will have additional dates for you to purchase directly from the school shop. Dates will follow during the summer term.

The school shop will be operated by Wirral Uniform Centre as the **ONLY** appointed stockist of the Prenton High School uniform. The school shop will open on **Wednesday 28 February**. From Monday 26 February you will no longer be able to buy items from the Birkenhead based shop. All purchases are to be made as above.

We are excited to launch the shop and believe it will be a much more convenient way to purchase uniform. An additional benefit is that school will receive 10% of ALL UNIFORM SALES! Prices will not increase other than usual inflationary increases, and all funds generated will be used for trips and enrichment activities for your daughter. So, just by buying essential uniform items, you can make a difference to your daughter's school experience.

To purchase uniform online the link is: <http://www.wirraluniforms.com/prenton-high>
Once the school shop is officially open, we will add a link to our website so that you can access easily.

We would welcome your feedback as you use this new service; we hope that you will find it convenient and easy to use.

Many thanks for your continued support.

Yours faithfully

Geraldine Fraser
Deputy Headteacher
