March 2018

Dear Parents/Carers

### **GCSE Trial Examinations**

We are writing to inform you of a second series of Trial Examinations for your daughter in the core subjects: English, Mathematics and Science.

Your daughter has been informed by her subject teacher and is currently preparing for these examinations. This second series of examinations will give us a very clear picture of any aspects requiring further focus and revision so that we can best prepare your daughter for her final examinations in May and June.

Your daughter will need to prepare for these examinations in the same way as her Trial Examinations and for the final examinations.

Should you have any questions or concerns, please do not hesitate to contact me either by telephone or email: [fraserg@prentonhighschool.co.uk](mailto:fraserg@prentonhighschool.co.uk)

Thank you for your on-going support.

Mrs G Fraser  
Deputy Head
