Dear Parent/Carer

Year 11 Biology Revision Session – Thursday 12 April 2018

I will be holding a revision session for Year 11 students during the Easter break. This will be on **Thursday 12 April 9.00am – 11.00am**. I feel it would be beneficial for your daughter to attend and if you would like her to do so please fill in the reply slip below and ask your daughter to return it to Miss Hockenhill by **Monday 26 March**.

If your daughter cannot attend then she should continue to revise at home regularly during the Easter holiday so that she is as well-prepared as possible for her GCSE examination. Revision at home can make a significant difference to her GCSE grade. One excellent revision aid is Tassomai, which many students are using to support their learning of key Scientific facts. Your daughter has her own login details that she can use at any time.

Finally, if you have any queries or concerns about your Daughter's GCSE Biology then please do not hesitate to get in touch with me on 0151 644 8113, extension 204 or hockenhulle@prentonhighschool.co.uk

Many thanks for your continued support.

Yours faithfully

Miss E Hockenhill
Year 9 Progress Leader/Teacher of Biology
