Dear Parent/Carer

**Aerospace Glider Challenge at Airbus Broughton: Monday 2 July**

Airbus have invited our school to take part in a STEM activity being held at the Broughton site near Chester.

The event is aimed at students who have a keen interest in Maths, Science and Design & Technology and will benefit from being 'challenged' to plan, design, build and test flight a balsa wood glider. The practical session will be supported by Airbus apprentices and there will also be a factory tour. There are only ten places available as this event is in such demand and places are limited. Your daughter has been selected by the science department who feel she would really benefit from this exciting experience.

The girls will travel by mini-bus; leaving school at **9.00am** and arriving back at school for **3.30pm**. Students must wear school uniform and take a packed lunch with them. If your daughter is in receipt of free school meals, school can provide a packed lunch; please indicate on the attached reply slip if you would like this option.

If you would like your daughter to take part in this exciting event, please complete the attached permission slip and return to me at school by **Friday 29 June 2018**.

Yours faithfully

Ms C Craven  
Year 10 Progress Leader
