Dear Parent/Carer

Additional staff development day: Friday 6 July 2018
School closed to students

As a school we are proud of the fact that we are continuously working to develop both the quality and range of experiences that we offer to all of our students. In order to assist us in preparing some exciting developments for next year we have taken the decision to designate Friday 6 July as an additional staff development day. **School will be closed to students** on this day whilst the staff and Governors work together on some key strategic planning that will enable us to be ready to launch a number of new initiatives that we are confident will continue to take our school from strength to strength in September.

I very much look forward to sharing the outcomes of our work with you as we move towards next year, and am confident that with our exceptional and dedicated staff and Governors, alongside the strong relationships that we have with parents and carers, we will continue to ensure that our school provides the very best for every student and continues to make a difference to your daughter and our wider community.

Yours faithfully

Mrs Lisa Ayling
Headteacher
