September 2019

Dear Parent/Carer

Additional Literacy Intervention

During this half term, we have reviewed Year 7 students' primary school records and undertaken our own assessments to identify any students who need additional learning support.

We have identified that your child would benefit from additional literacy intervention. From October your child will be withdrawn from MFL (Modern Foreign Languages) lessons to receive literacy intervention in a small group. This intervention will continue all the way throughout Years 7-9, therefore, your child will not return to MFL lessons.

The additional literacy intervention will provide your child with the opportunity to develop their literacy skills, with a focus on reading and spelling. This intervention has proven very successful in developing these skills and we will update you regularly on your child's progress.

Yours faithfully

Mrs H McGarry
Head of Learning Support (SENCO)
