Dear Parents/Carers

Accelerated Reader Drop-in Session

As your child participates on our Accelerated Reader Programme, I would like to inform you of an additional session they are invited to each week. Every Monday morning from 8:00-8:45am, your child is welcome to drop in to The Beacon (L11) and has the choice to:

- Complete an Accelerated Reader quiz
- Change their Accelerated Reader book
- Read aloud to a member of staff
- Read independently

Your child is welcome to attend all or just part of the session as frequently as they wish. Please encourage your child to take advantage of this opportunity to further their reading progress.

Thank you for your continued support. Supporting your child's reading in this way will help them make good progress in all subjects, will increase their confidence in using language and will extend their general knowledge.

Yours faithfully

Mrs H McGarry
Head of Learning Support (SENCo)
