October 2019

Dear Parent/Carer

'Wear it Pink Day' Friday 18 October 2019

On **Friday 18 October 2019** we are holding our annual 'Wear it Pink' day to raise awareness of Breast Cancer. The day will help raise funds towards the valuable research being undertaken by many Breast Cancer Charities. Students may wear an item of pink in exchange for a monetary donation. Last year we raised an amazing £316.94 towards Breast Cancer research!

The effects of breast cancer can be utterly devastating and many of our staff, students and families will sadly have been touched by this. However, with your continued support and generosity, research into improved treatments could mean a cure may eventually be found.

Students are able to wear: pink accessories in their hair, pink socks, pink scarves, pink charity wrist bands.

As this will be a normal working day, students will be expected to bring in all of their usual equipment including full PE kit etc. as appropriate.

In addition, please note that there can be no variations to the school rules on appearance, e.g. students are not allowed to dye their hair pink, wear make-up or to wear pink nail varnish. Jewellery is not allowed.

Many thanks for your highly valued support.

Yours faithfully

Mrs J Johns
Teacher of Maths
