Dear Parent/Carer

Sports Leader

Your child has applied for the role of Sports Leader and has been successful in gaining a position on the Sports Leaders Team. Please congratulate your child on this fantastic achievement.

When carrying out this role all sports leaders will be working towards a Sports Leadership Qualification, this is the most popular qualifications in the UK for Sport.

The qualification is designed to use sport and physical activity to help young people develop and enhance their leadership skills whilst helping themselves and others stay physically active.

Sports Leadership is the key to developing individual employability skills through communication, team work, problem solving and many more skills while enjoying and being involved in sport.

Within this role your child will be training in a variety of activities to coach, officiate, lead and organise a range of events across the school year. They will be given a calendar with all events and times.

Whilst leading on these events each year group of leaders will be working towards a qualification, as shown below:

- Years 7 and 8 – Young Leaders Award
- Year 9 – Sports Leaders Level 1 Award
- Year 10 – Sports Leaders Level 2 Award

To gain these awards each student needs to complete a specific number of hours and develop a range of skills. Each week the leaders will need to attend the Sports Leaders Club on **Thursday after school 15.30pm - 16.30pm** to gain all skills ready for each event.

Please return the consent slip below to me as soon as possible. If you have any further questions do not hesitate to contact me on 0151 644 8113, extension 227 or goren@prentonhighschool.co.uk

Yours faithfully
