Dear Parent/Carer

**University of Liverpool 'Physics of Star Wars'
Wednesday 20 November 2019**

I am delighted to inform you of an exciting opportunity for your child. On **Wednesday 20 November** we will be taking a group of Year 9 students to the 'Physics of Star Wars' Event at the Faculty of Science and Engineering at the University of Liverpool.

Students will depart from school at **9.00am** and travel to Liverpool by coach. We will spend the day taking part in hands-on experiments in the Central Teaching Laboratory, including: Lasers, Cryogenics, Augmented reality experiments, Machine Learning and various Lego Star Wars displays and return to school by **14.30pm**.

Students are required to attend in school uniform and they should wear closed, flat shoes; school shoes will be appropriate. Long hair should be tied back and jewellery should be limited to stud earrings only, no rings or necklaces. Please also be aware we have been informed that bags and coats cannot be taken into the labs; however, there are lockers available on each floor.

The overall cost of the trip is free for all students as the cost will be met by the school. Please note lunch is not provided and your daughter will need to bring a packed lunch on the day. If your child is in receipt of free school meals the school will provide a packed lunch should one be requested on the reply slip.

If your child would like to take part, we require a signed consent form to be returned to us by no later than **Friday 8 November**.

As with all school trips, staff reserve the right to refuse permission for any student to attend the trip if her behaviour is or does become, a cause for concern. We are only prepared to take those students whose behaviour is excellent.

If you have any questions regarding the trip please do not hesitate to contact us via the school office or bullockj@prentonhighschool.co.uk

Yours faithfully

Miss J Bullock
Teacher of Science

PARENT/CARER CONSENT FORM FOR EDUCATIONAL VISITS
