Dear Parent/Carer

Visit to Unilever – Bright Futures Project

Unilever has invited us to take a group of Year 9 students to visit its Research & Development site, Port Sunlight to take part in the Unilever Bright Futures Project. This exciting event will take place on **Tuesday 19 November**.

During the visit, Prenton students will work with Unilever staff to develop an ongoing project looking at real World problems from a STEM (Science, Technology, Engineering, Maths) point of view. All transport and teaching will be provided by Unilever and your child will be accompanied by members of staff from Prenton. It is important that the students wear full uniform and have a rain coat with them.

We will travel to Unilever by Merseyrail Train leaving School at **8:45am** to walk to Rock Ferry Station. We will return to school by the same method, arriving before **3:30pm**. Lunch will be provided at Unilever. Please indicate on the attached reply slip if your child has any special dietary requirements.

If you would like your child to take part in this exciting opportunity, please complete the attached reply slip and return it to me in U44.

Yours faithfully

Mr C Morrish
Science Teacher
