## **1. AIMS AND SCOPE**

We are committed to meeting our obligations with regards to school attendance by:

- Ensuring every pupil has access to full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Supporting parents/carers and pupils who are concerned about the return to school due to coronavirus.

This addendum applies from the start of the autumn term 2020 until the end of the 2020/21 academic year. It sets out changes to our normal attendance policy, and should be read in conjunction with that policy. Unless covered here, our normal attendance policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

## **2. GUIDANCE AND DEFINITIONS**

This policy meets the requirements of the Department for Education's (DfE's) **guidance** on school attendance during the 2020/21 academic year.

This addendum reflects the latest advice from Wirral Borough Council and Public Health England.

In section 4.2 of this addendum, where we refer to 'close contact', this means:

- Direct close contacts: face-to-face contact with an infected individual for any length of time, within 2 metres, including being coughed on, a face-to-face conversation, or unprotected physical contact (skin-to-skin).
- Proximity contacts: extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual.
- Travelling in a small vehicle, like a car, with an infected person.

This definition is from the DfE's **guidance on full reopening for schools** (see number 9 in 'the system of controls').

## **3. ATTENDANCE EXPECTATIONS**

It is mandatory for all pupils of compulsory school age to attend school unless:

- They have been granted an authorised absence by the school in line with those detailed in our normal attendance policy.
- They cannot attend school due to specific circumstances related to coronavirus (see section 4, below).

## **4. WHERE 'NON-ATTENDANCE IN RELATION TO CORONAVIRUS' APPLIES**

We will only accept 'non-attendance in relation to coronavirus' in circumstances where a pupil's travel to, or attendance at, school would be:

- Against guidance from Public Health England and/or the Department of Health and Social Care relating to the incidence of coronavirus or its transmission.
- Prohibited by any legislation or statutory directions relating to the incidence of transmission of coronavirus.

### **4.1 Pupil develops symptoms or lives with someone who does**

The pupil's parent/carer must notify the school on the first day that their child needs to self-isolate. The pupil will stay at home until they or the symptomatic person they live with receives their coronavirus test results.

**If the pupil's test result is negative:** the pupil will return to school when they feel well and no longer have symptoms similar to coronavirus. They should continue to stay at home if they remain unwell (i.e. with a different illness).

**If the person the pupil lives with tests negative:** the pupil will stop self-isolating and return to school.

#### **4.2 Pupil or a 'close contact' of theirs receives a positive test result**

The pupil's parent/carer must notify the school about the positive test result as soon as possible on 644 8113.

Pupils who test positive must self-isolate for at least 10 days from the onset of symptoms, and must only return to school when they no longer have symptoms (other than a cough or a loss of sense of smell or taste).

If a member of the pupil's household or a 'close contact' tests positive, the pupil must self-isolate for 10 days. The pupil must do this from when the member of their household first had symptoms, or the day the pupil last met with the 'close contact' who received the positive result.

See the definition for 'close contact' in section 2 of this addendum.

#### **4.3. Pupil has to quarantine after travel abroad**

The parent/carer must notify the school if their child has to quarantine after travel to a country that is not on the government's **exemptions list**.

The pupil must quarantine for 10 days on their arrival to the UK and return to school thereafter.

#### **4.4 Pupil is required to shield during a local lockdown**

The parent/carer will notify the school if they are advised by the government to stay at home and will provide proof of their shielding letter by sending a scan to **sandersonh@prentonhighschool.co.uk** or a photocopy to the school address.

The pupil will stay at home until the shielding measures in the local area are paused. Once the shielding measures are lifted, we will contact the pupil's parent/carer to set the expectation that they can return to school.

We will clearly outline the protective measures Prenton High School has taken to protect pupils prior to their return to school

#### **4.5 Remote learning provision**

If a pupil is not attending school because of circumstances related to coronavirus, but where the pupil is not ill, the school will provide the pupil access to remote education.

- Remote Learning: Live lessons will take place through Microsoft Teams and all students are expected to follow their usual timetable, attending all virtual lessons and the daily form session at 9-9.15am. Additional independent work will also be set using Class Charts and/or Microsoft Teams.
- School is working with the local authority to ensure all students have access to a laptop and internet.
- Where it is not appropriate for a student to attend a virtual lesson, hard copies of work will be issued.
- We will keep a record of, and monitor, pupil engagement with remote learning, but we will not track this information on the SIMS attendance register.

- Engagement to lessons will be closely monitored:
  - Students will have 4 points of contact with staff each day: During morning registration, and during the three daily live lessons each student is expected to attend.
  - Non-attendance to registration will be followed up with a parent mail message and, where appropriate, a phone call from a member of staff. Non-attendance to lessons will be followed up with a Class Charts behaviour alert to both the student and parent/carer and an email to the parent/carer.

## **5. RECORDING ATTENDANCE**

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present.
- Attending an approved off-site educational activity.
- Absent.
- Unable to attend due to 'exceptional circumstances' as defined in our normal attendance policy.
- Unable to attend for reasons related to coronavirus (see appendix 1 for the relevant absence codes and when we will use them).

Pupils must arrive in school at their designated time slot on each school day.

The register for the first session will be taken at 8.45am and will be kept open until 9am. The register for the second session will be taken at the start of lesson 5 and will be kept open until 1pm for Key Stage 3, and 2.15pm for Key Stage 4.

In event of National School Closure due to Covid 19 issues, students will attend a daily registration at 9am and their attendance to lessons will be monitored through Class Charts. School will follow up absence to form time and lessons as outlined in section 4 above and in appendix 2 below.

## **6. FOLLOWING UP ABSENCE**

Where any child we expect to attend school does not attend, or stops attending, we will:

- Follow up on their absence with their parent or carer by truancy call, phone calls, text message, email letter, ParentMail and through home visits made by the Local Authority Attendance Officer. At times it may be necessary to request a welfare call from Merseyside police or to register a pupil as Missing in Education with the Local Authority.
- Notify their social worker, where they have one or submit a new referral for support to Wirral Social Care.
- If a pupil does not attend because they, and/or their parent/carer are concerned about returning to school because of coronavirus, we will contact the family and explain the protective measures taken to safeguard pupils. We may also:
  - Arrange a phone call/video meeting/in-school appointment between the parent/carer and a member of the SLT to explain the protective measures the school is taking to keep pupils safe.

### **6.1 Legal sanctions**

Normal rules on legal sanctions apply, as outlined in our Attendance and Punctuality Policy.

## **7. MONITORING ARRANGEMENTS**

This policy will be reviewed as guidance from the LA or Department for Education is updated, and as a minimum every 2 months during term time by Alison Roberts, Head of Student Services. At every review, it will be approved by the full governing board.
